

KNOX RAPID ACCESS SYSTEM

Reduce Response Time, Injuries and Property Damage

KNOXBOX.COM

ACCESS THE COMPLETE, UL LISTED KNOX RAPID ACCESS SYSTEM WITH ONE MASTER KEY

Knox key boxes have been providing firefighters with safe and secure emergency access since 1975. More than 15,000 fire departments nationwide depend on the Knox Rapid Access System to access commercial, military and residential properties when responding to fire alarms or medical emergencies.

Knox rapid access devices are purchased by property owners in your jurisdiction. To get started, there is no cost to the fire department. With one Knox Master Key, community buildings, gated complexes and fenced properties are immediately accessible. The versatile Knox Rapid Access System provides:

- Immediate building entry day or night
- Access to all properties with one master key
- Time-saving response to false alarms
- Safe entry without force or injury to firefighters

1 PERIMETER ACCESS

KNOX PADLOCK®

Knox Padlocks allow instant access to manual vehicle and pedestrian gate entrances.

KNOX GATE AND KEY SWITCH®

The Knox Gate and Key Switch provides immediate access through electrical vehicle and pedestrian gates.

2 BUILDING ACCESS

KNOXBOX® 3200 KNOXVAULT® 4400

The high-security KnoxBox/KnoxVault holds keys and access cards critical for rapid access in an emergency.

3 INTERIOR ACCESS

KNOX DOCUMENT CABINET®

The Knox Document Cabinets stores vital emergency documents, including HazMat and emergency/response plans, interior keys, and access cards.

KNOX ELEVATOR BOX®

Designed for use with elevator banks for first responder's access to override and drop keys.

4 POWER CONTROL

KNOX REMOTE POWER BOX®

The Knox Remote Power Box remotely operates a shunt trip breaker to safely remove or isolate power from a building or equipment.

5 FDC PROTECTION

KNOX FDC LOCK® KNOX STORZ LOCK®

Knox FDC Lock and Knox Storz Lock protect vulnerable fire department connections critical in fighting fire.

KNOX STANDPIPE LOCK®

The Knox Standpipe Lock protects standpipe and wall hydrant outlets critical for fighting fire in parking garages, building stairwells, etc.

6 NARCOTICS CONTROL

KNOX MEDVAULT®

The Knox MedVault stores narcotics in a locked vault on-site or in a rescue vehicle, reducing exposure to legal and regulatory sanction.

7 KEY CONTROL

KNOX KEYSECURE®

The Knox Master Key(s) is secured in a key retention device mounted in the vehicle and provides audit trail and security.

KNOX KEYDEFENDER®

The Knox KeyDefender is a compact key control system specifically designed for use in service and support vehicles.

8 DOOR ACCESS

KNOXLOCK® MORTISE

Retrofit cylinders on interior or exterior doors where mortise locks are used.

KNOXLOCK® SFIC

The KnoxLock Small Format Interchangeable Core (SFIC) is an electronic lock core that takes existing hardware to the next level of access control and accountability.

ABOUT THE KNOX COMPANY

Over the years, we've continued to successfully develop innovative rapid access solutions for first responders. Our products have expanded into fast-entry systems for commercial, industrial, and residential applications, minimizing damage and maximizing safety. Today more than 15,000 fire departments, law enforcement agencies, military installations, businesses, schools, and homeowners trust and depend on Knox.
